## Legislative Connection Checklist

**Research:** fill out the previous page using the following resources.

- If you don't know who your legislators are, visit: [thekylegroup.com/resources](http://thekylegroup.com/resources).
- Look them up on various social media platforms, get to know their network, their likes, and their dislikes.
- Use the information you've gathered from above to fill out their information in the grid, ending with things you may have in common with them.

**Network:** stay informed by attending local events and supporting grassroots efforts.

- Join your local Chamber of Commerce.
- Attend "Town Hall" meetings.
- Become a member of a relevant association or society.

**Connect:** reach out to your legislator and start developing a relationship with them. It will make future endeavors much less intimidating.

- Invite your legislators to visit your organization or business.
- Ask what they need from you to help them understand your organization's mission.
- Ask them what you need to know in order to understand the development of public policy.
